SNODGRASS-KING DENTAL ASSOCIATES

SNODGRASS-KING DENTAL ASSOCIATES is a “family” of Dental Specialists who have been taking care of Middle Tennessee families for over 30 years. Dr. Terry King became a partner in 1998 and shortly thereafter, additional specialties were added making Snodgrass-King the first Multi-Specialty dental practice in Middle Tennessee. “We recognized the importance of being able to care for the entire family under one roof,” says Dr. King.

Snodgrass-King now has five locations to better serve the Nashville community. In the Mt. Juliet location, Pediatric Dentist, Dr. Robin Hobbs understands the importance of creating a fun atmosphere for kids. “Our goal is for children to feel comfortable and to want to go to the dentist.” This is achieved with the fun atmosphere of the offices including arcades, fish tanks, games, TVs, and the caring nature of the doctors and staff.

In addition to Pediatric Dentistry, the practice has Orthodontic departments in every office. Director, Dr. Miriam Hall states, “The beauty of having this large family of doctors, is immediate consultation and discussion with comprehensive care for our patients and their families.” In each office, the Pediatric Dentists work directly with the Orthodontists to ensure each child receives the care that will keep them smiling for life.

“The Adult and Cosmetic Dentistry department was the perfect addition to this growing practice.” says Director, Dr. Lauren Poole. “We offer something a lot of other practices don’t and I feel very

lucky to be practicing with Dr. Snodgrass and our amazing team of clinicians.” With private adult waiting areas, refreshments, wifi, and state-of-the-art technology, adults are able to receive great care with tremendous efficiency.

“I’M PROUD OF DR. KING AND ALL OF OUR DENTISTS FOR CARRYING THE TORCH TO KEEP OUR LEGACY OF EXCELLENCE ALIVE! IT IS AN HONOR TO HAVE OUR DOCTORS FEATURED AMONGST THE TOP DENTISTS IN NASHVILLE.”
— FOUNDER AND CEO, DR. DAVID SNODGRASS
